

#116 CHELSEA TOTE

Chelsea is a wonderful combination of a tote bag and a backpack. She's a little of each, with a whole lot of personality.

Wear her over your shoulder with one strap, or unzip the strap and she's a backpack. Cinch her closed by pulling the shoulder strap through the loop and you're ready to go. Tuck her side edges into the bag to transform her elegant style to a spunky look. Loaded with pockets too!

An all-purpose zipper is easy to install the 'No Fear' way (directions included).

Chelsea sits a cool 14" tall and has an 8" square bottom.

Basic quilting and sewing skills required. A walking foot/even feed foot and a zipper foot are recommended.

Supplies: 100% cotton, minimum 40" wide from the bolt.
