

#118 GRACIE HANDBAG

Gracie has vintage charm and the glamour of a silent film star.

This elegant little handbag is just the right size to hold all of your essentials.

Gracie is fully lined with six inside pockets and has a flap closure secured by Velcro.

Use the optional 'Bag-E-Bottoms Size A' to give Gracie a nice sturdy bottom. Just slide this custom cut piece of acrylic into the pocket at the bottom of the lining when the bag is finished.

Special Note: This project is not appropriate for directional prints because the fabric wraps around the bag from the front, across the bottom, up the other side.

Basic quilting and sewing skills required.
