In our sample, the feature fabric is used for the borders and the blenders are used for the star parts.

Supplies:

- Book: Lazy and Lovin' It
- Lazy Angle ruler
- Matching thread
- Rotary cutter and mat
- Sewing machine
- Basic sewing supplies such as scissors, pins, etc.

Fabrics:

- Border fabric – 3/4 yd. This will be your outer border fabric and will tie the rest of the quilt together. Choose something to base your quilt on. Use 4 1/2" wide strips for the outer border.
- Background fabric - 1 1/4 yd.
- Stars - 1 fat quarter light fabric, 1 fat quarter dark fabric, 1 fat quarter each of two medium fabrics. If you like, add a few more for variety.
- Inner Border fabric (not shown) – 1/4 yd. You may or may not want an inner border. If you do and you know what you want, get 1/4 yd. Sometimes it's easier to wait until the blocks are done to see what fabric you need for an inner border.
- Cornerstones - 4 1/2" squares. We'll have enough from your fat quarter cuts to use as cornerstones.
