

#115 NEWPORT TOTE

The Newport Tote is a fantastic bag. The unique handle and loop design allows you to carry the bag a number of different ways. The unusual loop system at the top edge of the bag also works as a closure for the bag as well. Pull the handle and the loops draw closer together, closing the tote bag.

This fully-lined bag is quilted and has an inside and outside pocket. Bag size: 18" wide across the top of the bag, 13 1/2 high from top edge to bottom edge, rectangular bottom is 6" x 12".

SUPPLIES

Fabric:

Bag Front, Back and Handle - 2/3 Yd (Same for directional print)

Bottom of Bag and Loops - 1/2 Yd (*2/3 yd for directional print)

Outside and Inside Pockets - 1 Fat Quarter

Bag Lining - 2/3 Yd

Craft Fleece or Thin Batting - 3/4 Yd

Optional: Bag-E-Bottoms Size 'D' (item LGD503) - Give your bag a nice sturdy base with this 1/8" acrylic base custom cut to fit the inside bottom of this design.

Directional Fabric: Don't use fabric that has only one direction (such as a house) for the bottom of the bag. It will wrap around the bottom and read upside down on one side of the bag. Fabric with two directions, such as a stripe, works great.

*Bottom of Bag: If the print is oriented toward the selvage, buy 2/3 yd instead of 1/2 yd.
