Cutie

Nickie, Nickita and Nickole (shown top to bottom) are three zippin' sisters. These fun bags are all made from the same set of ingredients. An all-purpose zipper is easy to install the 'Zip-Tastic' way (directions included).

Nickities are wonderful made from fat quarters, pre-quilted fabric, or use a bunch of scraps and piece a scrappy cover.

Nickie: 6" x 12"
Nickita: 3" x 4" x 9"
Nickole: 7" x 12"

Basic quilting and sewing skills required.

SUPPLIES: Ingredients listed below are enough to make one bag. Each bag can be made from the same ingredients.

2 Fat quarters of fabric - One for the cover and handle, one for the lining. (Create a scrappy cover from lots of scraps or strips. For pre-quilted fabric: 1 fat quarter for the bag, a 4" x 18" piece of non-quilted fabric for the handle, and skip the batting).

16" x 16" square of low loft batting.

12" all-purpose zipper in a color to coordinate with your fabrics.

Optional: Six inches of up to 3/8" wide ribbon (grosgrain is good) to decorate the zipper pull if you like.

A walking foot or even feed foot is recommended.
