

# #107 TOWNE PURSE

Super Fat  
Quarter Cutie

This stylish purse is easy to make and very functional. The inside is loaded with 9 pockets for everything from your cell phone and sunglasses to pens and a nail file. Use any standard zipper and find out how easy it is to put a zipper in using Lazy Girl's trademark 'No Fear' technique. A bonus project is also included for the left over pieces created when making your purse.

This pattern is a 'Super Fat Quarter Cutie'. This means the bag can be made from fat quarter cuts of fabric - lots of them.

Fabric recommendations: The exterior of the bag is composed of three fabrics. Choose three fabrics that will work well together as the front cover, back cover, pocket, zipper casing at the top of the bag and handles. Take a look at the pattern cover to get a feel for how and where these fabrics will be used. The interior is fantastic out of four fabrics.

Keeping in the Lazy Girl tradition, this project is quick and easy and offers a place to embellish and personalize.
