

# #211 WONDER WALLET

Fat  
Quarter Cutie

Our very popular Wonder Wallet is loaded with pockets for all of your cards, coins and cash. The coin pocket is specially designed so it does not require a zipper. Dollar bills and checks folded in half fit comfortably in this little cutie.

This pattern is a 'Fat Quarter Cutie'. A well-cut fat quarter is large enough to make two wallets. Remember to have enough of the other supplies needed for the second wallet.

Use your Wonder Wallet when you don't want to carry everything with you. It fits neatly into a fanny pack, jacket pocket, pants pocket or any size purse.
