

# HALF SQUARE TRIANGLE CHLOE

FROM LAZY GIRL DESIGNS & STARR DESIGNS FABRICS

LAZY SECRET #15

Kathleen Starr, owner of Starr Designs hand-dyed fabrics, shows us how to use their 'Charm Pack Plus' fabric collection to make this fabulous half square triangle Chloe. Kathleen added iron-on crystals to accent her beautiful fabrics.

## ITEMS NEEDED:

- Chloe Handbag pattern (LGD120) from Lazy Girl Designs.
- Batting, fashion handles and magnetic snap closure as noted on the pattern supply list.
- One "Charm Pack Plus" from Starr Designs Fabrics. Pack includes 20 pieces at 6" x 9 1/2", plus one piece at 1/2 yard. Total 1 1/4" yds. Charm Pack Plus includes enough fabric to make additional triangle units to use for pockets or make other Lazy Girl projects such as the Katy Bags #121.
- Tools/method to make at least 88 half square triangle units that finish at 1 1/2". Use our Flying Geese x 4 No Math ruler or Triangle Paper (TM) from Quilttime, [www.quilttime.com](http://www.quilttime.com).
- Austrian Swarovski iron-on hot-fix color crystals from Cheri's Crystals.

## How-To:

- Complete 88 half square triangle units using the 6" x 9 1/2" cuts of fabric. Follow the directions included in your Flying Geese x 4 Ruler or the the manufacturers directions for the Triangle Paper (TM) instructions. Mix fabrics of different values for the most contrast. Make a few extra for flexibility in layout.
- Arrange the half square triangles 8 units high by 11 units wide to create the cover fabric for Chloe.
- Take time to arrange the units a few different ways to find a pleasing layout. In our example, all the units are arranged with the diagonal seams going the same direction. Try rotating blocks and moving colors around to create secondary designs.
- When you are happy with the block arrangement, sew the squares together using a scant 1/4" seam allowance. This should result in the correct size cover piece for this project. However, sewing this many pieces together has the potential to be off a bit. If the sewn units are short by 1/8" to 1/2" in any direction, that's okay - your finished bag will be a bit small. If the width is off, cut your lining and pocket pieces to the same width as the cover. If the length is off, divide the difference in half and take that amount off the top edge of each lining piece. If your cover is off by more than 1/2", consider making one more row of units, cut them in half and attach half to each edge of the cover to widen or lengthen as needed. Then trim to the correct size needed. Do not make any adjustment to the 'notches' on any pieces.
- Locate the embellishment zone (shown here in yellow) using the guide included in the Chloe Handbag pattern.
- Attach crystals according to manufacturer's directions. Here, we've arranged groups of 7 crystals, scattered around the cover. Keep crystals at least 1/2" from all edges for seam allowances.
- Your cover fabric is ready to go. Finish the project according to the pattern.
- Cut pocket and lining pieces from the 1/2 yard piece of fabric in the Charm Pack Plus.

HALF SQUARE TRIANGLES CHLOE HANDBAG #120

CHARM PACK PLUS

FIND THE EMBELLISHMENT ZONE.

ATTACH CRYSTALS.

## OTHER IDEAS:

- Add buttons, beads, fibers or ribbons for dimensional embellishments.
- Make a coordinating Wonder Wallet or Checkbook Cover from the remaining fabrics.
- The Charm Pack Plus (1 1/4 yards total), is perfect for many Lazy Girl projects including the Katy Bags, Veronica Pocketbook, Couch Caddy, Sassy Bag, Runaround Bag, Take Along Bags, A-Door-Ables, and Perfect Pouches.
