

CLAIRE HANDBAG

#125

To create the fun angled center of Claire's cover: stack, chop and swap the two main cover fabrics (white and green). The front and back will be different and no fabric is wasted.

Claire and her handles stand up nice and tall, making this open-top tote great for a purse, tote or project bag.

Features short or medium length fabric handles and 2 outside plus 6 inside pockets.

Finished size: approx. 10 1/4" x 9 1/4" x 4"
