

# #120 CHLOE HANDBAG

Chloe is the goddess of zip, zing and all things sassy! Our 'Goddess' patterns include specific directions on how and where to incorporate optional embellishments. Your Chloe will be so wonderful, embellished or not, that you'll feel like a Goddess when you carry her!

Chloe is fully lined, has several inside pockets and inside closure.

Pattern includes a full-sized template to locate fibers, buttons, beads, baubles (BBB's), and overall embellishments. Specific directions included to incorporate your embroidery design, too! Embellishments are optional of course. It wouldn't be Lazy to require such a thing!

Basic quilting and sewing skills required.

Size: 11 1/2" W x 5 3/4" H

**SUPPLIES:** Fat quarters are 18" x 22" .

**FABRICS:** Select 3 coordinating fat quarters - one each for 1) cover, 2) lining, and 3) inside pockets and handle tabs/handles.

**NOTE:** Cover not appropriate for directional prints.

**HANDLES:** Choose one option.

- Fashion Handles with connection holes or locations that fit the green boxes to the right will work for this bag. Handles shown on the cover are item #6324 from Clover Needlecrafts. No extra fabric needed.
- Make Your Own Fabric Handles - Cut from the same fabric for the pockets as noted above.

**BATTING:** Use a thin, low loft batting. You'll need one piece approximately 13" x 17" . (Craft fleece, Warm & Natural, and Quilter's Dream are all good).

**CLOSURE:** 1/2" Magnetic snap - OR - 1" piece of sew-on Velcro.

**OPTIONAL - EMBELLISHMENTS:**

Fibers, buttons, beads, tassels, you name it. (Cover: Top sample shows two styles of buttons from JHB stacked together. Lower sample shows fibers from Adornments (TM) - pick a color collection to coordinate with your fabrics.)

**OPTIONAL:** 1/4 yd lightweight fusible interfacing to stiffen lining of bag.

**NOTE:** A walking foot or even feed foot is nice for this project.

**Handle Guide:** The top edge of the finished bag is just over 1" wide. Handles with ends that are approximately 6" apart will work well for this bag. Your handle will work if the handle ends fall within these two boxes.
